Standard Guarantee OF AMERICAN SHORTHORN BREEDERS ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bangs Disease of the state or country into which they may be shipped.
6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this Sale will be backed by the above Standard Guarantee.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.

National SHORTHORN & POLLED SHORTHORN

Information for the Buyer

LOCATION: Ak-Sar-Ben Field and Stock Yards, Omaha, Nebraska.

MAIL BIDS: Those unable to be present who desire to take advantage of the buying opportunities in this sale may rest assured that mail or wire bids will be honestly and faithfully executed. Any of the following competent men will be happy to handle buying orders for you. They may be contacted at the addresses listed, or they can be reached in Omaha in care of the Fontonelle Hotel.

Representing AMERICAN SHORTHORN BREEDERS' ASSOCIATION
Clinton K. Tomson Clem Larson Ted Aegerter

Representing THE SHORTHORN WORLD, 16 South Locust St., Aurora, Ill.
Hal Longley Merv. Aegerter Don Longley Ned Place

SHIPPING ARRANGEMENTS: It is the obligation of the consignors and this Association to see that all cattle are properly loaded on cars or trucks as directed by the buyers for immediate shipment. Cattle will be at buyer's risk as soon as bid off, but every precaution will be taken to see that animals arrive in sound and healthy condition.

BE SURE TO LEAVE DEFINITE SHIPPING INSTRUCTIONS WITH THE SALE CLERK.

LIABILITY: Although every possible precaution will be exercised to protect the safety and comfort of guests of the show and sale, neither this Association, nor its representatives, nor the auctioneers or clerks, can assume any liability for accidents.

TERMS: The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction.

INSURANCE: Coverage may be secured effective at the time of sale.

GUARANTEE: All animals sold in this sale will be backed by the Standard Guarantee endorsed by the American Shorthorn Breeders' Association, which is printed in this catalog.

AUCTIONEERS: J. E. Halsey, Des Moines, Iowa.
C. D. Swaffar, Tulsa, Oklahoma.

Ideal Type Polled Shorthorn Bull

The ideal type Polled Shorthorn bull is Nature's way of removing horns without the mess and bother of the dehorning job. They retain all the superior beef producing characteristics of the Shorthorn, but add that safety feature of natural hornlessness, which makes them popular in feedlot and pasture with man as well as other farm animals. The advancement of the Polled Shorthorn in popular demand is unequalled.

LOT 1 MALE

LESTER H. RYON

ROYAL KING x2592-776 RE 91

White, calved May 10, 1949. Bred and owned by Lester H. Ryon, Smithville, Mo.

V. V. ROYAL LEADER 2ND - Lots of bone and ruggedness with a good head.
Short-legged and thick. His dam is one of our very best. Photograph taken at about
10 months of age.

Your Greatest Return Per Cattle \$

Polled Shorthorns are a sound economic and financial investment. The dollar may change in value, but an efficient working herd of registered Polled Shorthorns is the greatest possible assurance for future economic security. Polled Shorthorns have more to offer cattlemen than any of the other naturally hornless breeds all the advantages of greater weight for age, increased milk capacity, early maturity and grading up ability of the Shorthorn, PLUS the greater efficiency per animal unit where dehorning is unnecessary.

LOT 7 MALE OTTO SCHROEDER & SON PAYMASTER BARON x2634-111 LE-51

Red, calved May 24, 1950. Bred by A. H. Goehner, Seward, Nebraska. Owned by Otto Schroeder & Son, Seward, Nebraska.

Try Our
Service
Without
Charge

Cordially the American Shorthorn Breeders' Association invites you to become interested in producing Shorthorns or Polled Shorthorns on a profitably sound and constructive basis. We invite new breeders or prospective buyers to take advantage of our facilities for service. We are more than a registry association---we are here to cooperate with you in any way either in solving your cattle problems or in locating and assembling the kind of Shorthorns or Polled Shorthorns you want---one or a car-load. This is done entirely free of charge. The advice of our experts is always available in gathering together a uniform herd for whatever branch of the cattle business you wish to enter.

If you are unable to attend this Sale, send your buying orders for any animals in this catalog to Clinton K. Tomson, Secretary, American Shorthorn Breeders' Association, Union Stock Yards, Chicago, 9, Ill. - phone Yards 7-0363. Give details as to prices, second or third choices if you have them and include shipping instructions.

Polled Shorthorns on the March

Polled Shorthorns are an all-American product, developed by thinking breeders because of popular demand with an eye to what the future cattleman will find the most profitable. Keep pace with this growing demand. Give practical stockmen what they are asking for. Breed Polled Shorthorns - the modern type of beef production.

Show and Sale

Foundation For Security

No section of the United States is over-supplied with herds of good beef cattle, and wherever they are found as a major livelihood there prosperity moves along at an even level. Cattlemen can always count on an income where many other lines of business fall short. This has been especially true of Polled Shorthorn herds. They have weathered economic storms, are pleasant to work with, return maximum profits on your investment, and are the nation's No. 1 farm investment. Prize winning herds like this one are not built in a day, but you can come close to it by buying your foundation herd at this Congress Sale, because all the requisites are here. Breeders from all over the country buy their herd improvers at these national events year after year. WE INVITE YOU TO DO THE SAME. Remember, it pays to buy the best!

The Ideal Type Shorthorn Bull

For over two centuries, Shorthorns have competed with all-comers as the ideal beef type. The ideal Shorthorn bull is thick, blocky, close to the ground, with greater scale at any given age than any other beef breed, straight in his top, bottom and sidelines, close-coupled, carrying even width from end to end. He has a head showing marked breed and sex character with neck short and thick, neatly joined and shoulders smoothly blended into the body. His chest is wide and full, heart girth broad and deep, crops full, ribs widely sprung, loin thick and wide, hips neatly laid in with smooth rump and tail head, and twist deep. His horns are short, light-colored and glossy. He has a good coat of glossy hair and the best disposition of all beef breeds.

BUY IN THIS SALE for these same good blocky qualities that help bring and maintain uniformity in your herd, and with qualities to go on procreating more of these good modern type Short-horns.

EDELLYN ROYAL LEADER 136TH - is a full-brother to the famous 66th, Grand Champion at Illinois, Indiana and Wisconsin State Fairs, and Reserve Grand at the 1949 National Show at Kansas City. These bulls are out of a wonderful cow, and the calves by the 66th give such great promise that the 136th must be considered for a top breeding assignment.

L. E. Mathers, President

L.E. Mathers, Mason City, Illinois, breed builder, master farmer and President of the American Shorthorn Breeders' Association, with two of the winners developed at Leveldale Farms. This pair of Shorthorn females were undefeated around the circuit of at least thirteen major 1950-1951 shows. They were exhibited in strong competition under at least thirteen different judges of national and international reputation.

This Association has a President who practices the promotional points he preaches with regard to the development, fitting, exhibition and sale of outstanding Shorthorn cattle.

SCHANER ROYAL LEADER - is the first son of Edellyn Royal Leader 98th. He is deep, thick and has a wonderful head. His dam is an excellent cow and a good producer. Photo shows him when only nine months old.

Grand Champion Feeders at Denver

These 400 pound Shorthorn calves produced by Josef Winkler, Castle Rock, Colo., some dropped as late as August 1950, were GRAND CHAMPIONS over 67 select loads at the 1951 National Western Stock Show, Denver. Note their broad backs, good feeder heads and general beef conformation. Level and square behind, deep - bodied, uniformly low in twist, these calves brought the judges again and again to their pen. They were bought by Pat Hennessey, Dodgeville, Wis. for the new Denver top of \$84.25 a hundred pounds. The former Denver record-high price for a load of feeders was \$77. a cwt. paid in 1949 for the Winkler Shorthorn Grand Champion load over all.

KADEL SUPREME PRINCE - You'll marvel at the smoothness of body, full crops, thick flesh, rich red color, bulging quarters, weight-for-age (he weighed over 900 lbs. the day he was a year old), combined with a head and eye full of character. The grandson of Calrossie Supreme and the \$3000. Divide Prince has individuality combined with top breeding. Remember, M.F. Supreme 5th sired KaDel Supreme Leader that sold for \$1875. at the last International Sale.

Roan, Held Brothers.		

FANCY HERO - is a dark red bull with a very good head, plenty of bone and thickness of body and holds his width through his quarters. He should sire calves with plenty of weight for age.

Shorthorns

There's nothing like good Shorthorn cattle to get the most out of good grass pastures. The Shorthorn cow's ability to transform farm roughage into both beef and milk is unapproached by any breed. She produces bigger, healthier and heavier calves because of her abundance of milk, which gives the calves a head start in becoming prize winners or market toppers.

Both grand-sires are outstanding imported bulls.

Another Grand Championship

Over all Breeds

Commando, Grand Champion Steer

OVER ALL BREEDS at the 1951 National

Western Stock Show, Denver. Entered by
Cornelius Wolf, Remsen, Iowa and shown
by his son, Emmett. Commando compet-
ed with one of the largest steer entries
ever seen at the Denver Show to win its

much coveted highest award. He was calved in January 1949 and weighed 1350 pounds,
making him one of the heaviest champions at Denver in recent years. He was fitted
superbly and was a steer of tremendous depth.

		Thick Bess 1892980 Red, C. L. Rees

IND-A-CLAR PRETENDER 2D - has plenty of size for age and has about as good a pedigree as could be written.

The Ideal Type Shorthorn Female

A cow provides half the inheritance of every calf, so it is important that she be the best of type and bloodlines. The short-legged, heavy-fleshed, low-flanked, early maturing beef type Shorthorn female of today with her greater capacity for milk than cows of any other beef breed, is a real triumph in scientific breeding. This ideal

modern type Shorthorn female is smooth of flesh, near to the ground with plenty of style and impressive character, with the best of heads and impeccably attired in a fine quality coat. She represents the right combination of individuality with the best of bloodlines. And with all this she shows the capacity for plenty of milk so important in the development of rugged early maturing calves.

BUY IN THIS SALE for cows like this for herd uniformity and for the best possible inheritance for your Shorthorn calves.

LOT 55 FEMALE CORRIMONY CLARA 2642-889 (V96E) RE-GGR-G41

Red, calved April 16, 1949. Bred by J.M. Grigor (Lentran Estates, Ltd.), Lentran Home Farm, Lentran, Invernesshire, Scotland; Owned by F.W. Harding, Waukesha, Wisconsin.

<i>Sire</i>	Calrossie Supreme 2283903 Dk. Roan, John MacGillivray	{ Calrossie Supremacy (321226) Red, John MacGillivray Calrossie Flossy Laura (240499) White, John MacGillivray

CORRIMONY CLARA - Her sire was second in his class at Perth in 1947 and purchased for Saltoun at 2800 guineas, where he has proved to be one of the top breeding bulls. Pittodrie Landmark, seen by us this summer, appeared to be the best son of Bapton Upright in Great Britain. Many of the top females of the Saltoun Herd at present are sired by Pittodrie Land Mark and Chapelton Royalist. This heifer is one of the good ones imported this year. BRED PRIOR TO SHIPMENT FROM SCOTLAND.

National SHORTHORN & POLLED SHORTHORN
Your Three Way Opportunity

Commercial breeders, who represent a vast majority engaged in the production of beef cattle ... the farmer-breeders, who maintain relatively small herds of commercial cattle ... and breeders of pure-bred registered cattle constantly seek herd bulls and foundation females.

Thus the demand for improved breeding stock is three-fold ... and is conclusive assurance of future security for breeders of Shorthorns of the profit-producing type demanded by ranchers, farmers and breeders alike.

Establish your herd in this sale ... the bulls and females have been carefully selected to provide you with ideal foundation animals.

LOT 56 EFMALE

DUCHESS OF GLOSTER 60TH - is one of the many good daughters of Millhills Starry Archer. She is a show heifer in every respect and her dam is one of our best brood cows. We are retaining her two full-sisters for our breeding herd. She sells with a good red bull calf, dropped August 12, 1951, sired by Tolquhon President 2623590, that is not her own. Unfortunately she lost her own calf when a week old and it has been replaced with this orphan calf out of Lady Douglas 6th 2506549. Photo was made when she was Reserve Champion in 1950.

Red,	Nonpareil Quality (164576) Red, G.J.C. Anderson	

KICKAPOO NONPAREIL SAL - is a very fashionably bred daughter of imported Cruggleton Johnston. BREED JUNE 19, 1950 TO IMPORTED CORRIMONY AUGUSTA 2553334. Inspect the "gets" of these two sires and then you be the judge as to the value of this heifer in your herd.

Shorthorns for Greatest Returns

Concentrated agricultural production with modern legumes and forage crops enables a large herd of Shorthorns to thrive on a relatively small acreage with greater cash returns per acre on less labor. Greatest profits result from the most efficient conversion of grass and roughage into prime beef and an abundance of milk. Breed Shorthorns for greatest returns.

LOT 63 FEMALE

C. L. REES

71ST DUCHESS OF GLOSTER 2579390 RE-256

SCHANER LAVENDER LILY - Is a good-headed, short-legged heifer. BRED TO EDELLYN ROYAL LEADER 140TH, whose brother is doing a good job in Australia.

Breed and Feed Shorthorns

Steers are the medium through which we compete with other breeds. In them all our prestige and claims for superior cattle are at stake. They are our proof to cattlemen and ranchers, to 4-H Club boys and girls, to Future Farmers, to men with wealth and to just everyday farmers that Shorthorns are the most desirable breed from all standpoints. A well

conditioned steer at a show or on the market is a greater asset to the breed than an inferior bull sold to a farmer or a small breeder. You will find bulls in this Congress sale that will sire the type of steers that will bring to you the great prestige attached to breeding and exhibiting a GRAND CHAMPION STEER.

LOT 69 FEMALE

HELPRED JEALOUSY 2616-905 RE-324

F. W. HUBBELL

Roan, calved June 23, 1950. Bred by Hepburn Ingham, Waukee, Iowa; calved property of F. W. Hubbell, Des Moines, Iowa.
